

## SnoFest Cardboard Derby Official Rules

SnoFest 2018 Cardboard Derby will be held on the frozen pond in Copper Mountain Center Village

SnoFest will provide YakTrax spikes for competitors and will be the only ice traction devices permitted. Ice climbing crampons or ice skates will not be permitted on ice at any time.

1. Building and drop off times 12:30 – 1:30 p.m. Contest starts at 2 p.m. Awards following contest on site.
2. Races will be ran side by side, two crafts at a time.
3. The times will start when the whistle is blown. Racers will leave the starting line and push and/or drag their crafts on the ice through a slalom of three cones, rounding the last cone and running the slalom back to the finish where their times will stop once they hit the final cone sitting at the finish line. Crafts must go around the slalom cones and will have a two second penalty for each cone hit or not gone around.
4. Each craft must have at least one person pilot that does not push or pull the craft.
5. Each craft can have no more than four people pushing and or pulling.
6. Each craft must be constructed using only cardboard, tape and rope. Other materials such as paint (no painting on site), fabric, flowers, lights etc. may be used for decoration only but may not make contact with the ice.
7. To increase safety, helmets are mandatory (approved motor, bicycle or hockey), gloves, knee and other padding advised.

### Categories:

Judged: **Most impressive craft**

Timed: **Fastest Family** (single family, any ages)
